

**"MAYPAC" POP-UP SHOP COMING TO LAS VEGAS
FOR FLOYD MAYWEATHER VS. MANNY PACQUIAO SHOWDOWN
STARTING FRIDAY, APRIL 24**

Store To Feature Unique Interactive Fan Experience, Official Gear and Merchandise, Art Gallery From Official Fight Artists, Plus Celebrity Appearances

LAS VEGAS -With the historic **Floyd Mayweather vs. Manny Pacquiao** match up just over a week away, fans will have a unique opportunity to engage in the pre-fight excitement at the official "MayPac" pop-up shop opening this Friday, April 24 at the corner of **Las Vegas Blvd.** and **Fremont St.**

The 1,700 square foot space will offer a one-of-a-kind fan experience featuring an interactive game, official merchandise and VIP meet and greets. The pop-up shop will remain open to fans through fight night on Saturday, May 2.

The fight simulation experience will give fans the opportunity to step into the ring as either Mayweather or Pacquiao and take on the other as an opponent. Custom designed to resemble Mayweather and Pacquiao's own training rings, each game is equipped with a high-impact punching sensor and a video screen over 10 feet tall, delivering an immersive experience like no other.

Onscreen elements direct the user through punch combinations that allow them to take down their opponent blow-by-blow, culminating in a final knockout punch - that is, if you don't get knocked out first!

For each use that succeeds in delivering a knockout punch, the crowning moment will be captured with a 360-degree camera. All winners will go home with a looping image of their knockout punch.

Fans will also have the opportunity to purchase official fight gear, merchandise and art commemorating the historic matchup in addition to attending celebrity meet and greets.

More information including shop hours and celebrity appearances is available at
